

## Authorship Statement

I here by declare that the article:

**I. All author(s) hereby confirm(s) that:**

1. have made a substantial contribution to the manuscript and is willing to take public responsibility for its contents;
2. this manuscript represents original, objective concept;
3. this manuscript has not been published in whole or in part previously;
4. this manuscript has not been sent for evaluation to other journals;
5. there are no financial conflict of interests. The customary listing of sources of support and institutional affiliations on the title page is proper and does not imply a conflict of interest;
6. the publishing fee will be fully covered by author(s) according to the rate of the year in which manuscript will be published;
7. the final version of the manuscript has been read and approved by all the authors;
8. by sending the manuscript together with table(s), figure(s), photograph(s), diagram(s), flow chart(s), algorithm(s), movie(s), etc. author(s) agree(s) to automatic and free transfer of copyright to the Physical Activity Review allowing for the publication and distribution of the material submitted in all available forms and fields of exploitation, without limits of territory or language, provided that the material is accepted for publication. At the same time the author(s) accept(s) that the submitted manuscript will not be published elsewhere and in whatever language without the earlier written permission of the Physical Activity Review;
9. "Instructions to Authors" (<http://www.physactiv.eu/index.php/for-authors/>) have been read, thereby indicating compliance with those instructions and acceptance of the conditions posed.

We also certify our personal contribution:
